Participants will be informed if they have a strike and coaches may arrange to meet with parents, participants, and an executive board member if necessary. Disregarding any of the above-mentioned policies may result in a strike and/or sitting for the first quarter of the game.

 - This includes any form of communication, including but not limited to phone, text, voicemail, social media, verbal or implied.

 - Please contact your coach or an executive board member later so they may address your concern.
